

Meeting Room Specifications

In order to offer a larger selection, Punderson Resort & Conference Center works in conjunction with NPi Audio Visual Solutions to meet your equipment needs. All orders are placed with your sales and catering manager. NPi will have a technician on-site to set and test all items. The prices listed below are per day, per item and do not include Geauga County sales tax. For any item not listed, please consult your sales & catering manager.
